

Non-payment of dues to sugarcane growers in Karnataka

1238. SHRI H.K. JAVARE GOWDA: Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) whether it is a fact that lakhs of sugarcane growers in Karnataka have been put to misery because of financial inviability of the sugar mills on amount of the collapse in sugar prices and the factories are not paying the amount due to the farmers; and

(b) if so, the amount due to the farmers for the past two years and the steps Government oropose to take for payment thereof?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (SHRI V. SREENIVASA PRASAD): (a) No Sir. The wholesale prices of S-30 grade of sugar in the 4 principal markets of the country *viz.* Delhi, Kolkata, Mumbai and Chennai during the season 2000-2001 ranged between Rs. 1310 to Rs. 1650 per quintal as against Rs. 1326 to 1700 per quintal during the previous sugar season 1999-2000.

The cane price arrear position for the country as a whole during the last two sugar seasons as on 30th September is as under:—

(Rs. in Crores)				
Season	Total Price Payable	Total price paid	Arrears	% of arrears on price Payable
2000-2001	14358.14	13761.24	596.90	4.2
1999-2000	10868.81	10338.67	530.14	4.9

The percentage arrear of cane price for the seasons 2000-2001 was 4.2 as against 4.9 during season 1999-2000 inspite of higher volume of cane crushing by sugar factories in the season 2000-2001.

According to Government of Karnataka, all the sugar factories except a few have been paying cane price dues to the farmers without any unnecessary delay. In case of two sugar factories the State Government has issued certificate as per clause 3 (B) of sugar cane control order to the District Magistrate of the concerned districts to recover cane price arrears as arrears of Land Revenue. However, these factories have filed writ Petitions in the Hon'ble High Court of Karnataka and necessary action is being taken by the State Government to get the stay vacated.

Government of Karnataka has arranged term loans and other pledged loans to some of the Sugar Factories towards clearance of dues by providing guarantee in favour of sugar factories.
